An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the Issue Fee.

### EXAMINER'S AMENDMENT

#### In The Drawings

Note attached copies of the drawings corrected in red.

### REASONS FOR ALLOWANCE

The claimed invention of a power factor correction device is found to be allowable over the prior art since a power factor correction device comprising in addition to the other recited circuitry a control device including an error amplifier receiving at its inverting input a signal proportional to the output voltage and at its non-inverting input a reference voltage, an interruption circuit with a first terminal coupled to the output of the error amplifier, a control circuit activating the interruption circuit for at least one time period shorter than a time period of a related converter control device, and at least a capacitor coupled between the inverting input of the error amplifier and a second terminal of the interruption circuit was not found to be singularly or collectively taught by the prior art.

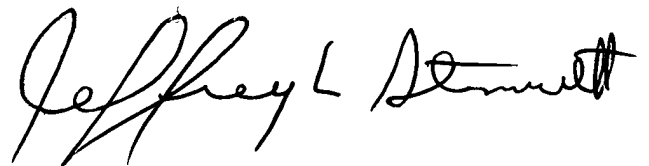

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey L. Sterrett whose telephone number is (571) 272-2085. The examiner can normally be reached on Monday-Thursday & 8:00am-5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Sherry can be reached on (571) 272-2084. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
